The Anti Racism Network Ireland
is an activist group that fights against racism.

It's our aim to bring together a broadly based
anti-racism network that supports migrants'
rights and fights against racism.

Such a grouping will have a primary focus on
mobilising when necessary.

We hope The Anti Racism Network (ARN) will be a
network of individuals, community groups, ethnic
and faith-based groups, anti-racism campaigners
and non-governmental organisations.

It should be committed to be a grassroots,
nationwide, community based, member driven
network that provides a strong effective voice
against individual, institutional and state racism.

The launch of the Anti Racism Network Ireland
will take place on the 14th of August 2010 in
The Complex, Smithfield Dublin 7 at 12pm. All
welcome.
