EUROPEAN ELECTIONS 2019 FOUR QUESTIONS ON PALESTINE-ISRAEL FOR CANDIDATES

1) Will you support the call to prohibit the import and sale of goods, services and natural resources originating in illegal Israeli settlements in Palestine?

2) Will you protect the right of European citizens to free speech, including the right to engage in the non-violent Boycott, Divestment and Sanctions (BDS) campaign and act against any attempts to criminalise Palestine solidarity?

3) Will you oppose any upgrade of European agreements with Israel and call for suspension of EU-Israel Association (EuroMed) Agreement until Israel abides by its human rights clause?

4) Will you support the exclusion of Israeli arms manufacturing and other military companies from EU Research Programs and EU contracts?

LOCAL ELECTIONS 2019 THREE QUESTIONS ON PALESTINE-ISRAEL FOR CANDIDATES

1) Will you support the call to prohibit the import and sale of goods, services and natural resources originating in illegal Israeli settlements in Palestine? Will you lobby within your party to support the *Control of Economic Activities (Occupied Territories) Bill* currently before Dáil Éireann which seeks to do exactly this?

2) Will you protect the right of Irish citizens and residents to free speech on Palestine, including the right to engage in the non-violent Boycott, Divestment and Sanctions (BDS) campaign and act against any attempts, local or national, to criminalise Palestine solidarity?

4) Will you support the creation of Israeli Apartheid Free Zones – spaces that endorse the principles and tactics of the non-violent Palestinian Boycott, Divestment and Sanctions (BDS) campaign - in local communities and in City/County Councils?
